The Hidden Gem at the End of the Road

If you are looking for a golf club with friendly people and a course that is challenging and rewarding for all skill levels, then Minnesott Golf & Country Club is the place for you. We don’t have valet parking or bag boys with their hands out, but we do have people just like you who prefer the casual atmosphere and the beautiful natural setting that draws your eye at every turn.

So when you come for a visit and get to the end of the road, try us out — play golf, have lunch, go for a swim — become a member!

Directions: Follow 306 South to the last street before the Ferry landing. Turn right and continue to the end of Country Club Drive.

Lots of glass and stunning views of the course make it a great place to join your friends after play for a soda or glass of wine or a draft beer and a light lunch.

Freshly brewed ice tea -- sweet, unsweet or Arnold Palmer -- goes nicely with a grilled hot dog or deli sandwich.

You can also enjoy our house-made chicken salad. Order it on a giant croissant for a real treat.

The Live Oak Grill welcomes the public.
